Recreation Access Update

Tillamook County and Olympic Peninsula: Recreation areas are open for non-motorized access only.

Clatsop County: Beginning Saturday, October 17, 2026, through Friday, November 27, 2026, the gates listed below will be open for motorized recreation access. Access is allowed from one hour before sunrise until one hour after sunset.

Green Dot Road Rules

- Motorized travel is allowed only on roads marked with a green dot.
- All other roads are closed. Unauthorized access may result in criminal trespass charges.
- Do not block roads or gates. Vehicles may be towed at the owner's expense.
- Travel through active operation even if on a green dot road is **PROHIBITED**

Please note: No smoking, Camping, Campfires, Off-road driving, Electric Recreational Vehicles including E-bikes, ATVs, or Motorcycles. All access is subject to change without notice.

Maps and Open Gates

Please review the attached new recreation map and closeup revision map before entering the property. The maps show the current Green Dot roads, access areas, and revisions.

Open gates from October 17 through November 27, 2026:

- L&C Camp Gate (71/75)
- 400 Line (72)
- 300 Line (73)
- Klootchey Park (39)
- Charlie Cr. (26)
- Clatsop Fir XO (25)
- Tidewater (49)
- Snow Point (54)
- Elk Mtn. (98)
- Fisher ML (83)
- Twilight (110)
- Bear Cr. 300 (80)
- Elk Mtn. East (53)
- Franklin Griffith (18)

Any open gate not listed above is for **active operations only** and may be locked at any time. Recreation access is not allowed through those gates.

Please obey all signs and stay clear of forestry operations. Entering an active operation area may result in permit revocation.

Report illegal or suspicious activity to the Sheriff's Office or Oregon State Police. Call 911 for a fire or emergency. Display your vehicle placard on the dashboard and keep your recreation access permit available for review by Nuveen Natural Capital representatives, security personnel, or law enforcement.

Thank you,
Nuveen Natural Capital
